

# FlowCon Actuators Selection Matrix

FlowCon Part no. mm		FlowCon valve types														
		Green. 0/1/1HF/2 15-32	GreEQ 15-32	Green.3 40-50	SM 15-40 50-250		UniQ® 15-20	FIT-G 15-32 40-50		FIT 15-250	ADP 15-25	EVS 15-25	Unimizer® 15-80 100-150		T-JUST 15-25	
<b>Thermal ON/OFF</b>																
24V	EV.0.4														X	
	FT.0.4	X									X					
120V	EV.0.5															
	EV.0.3														X	
230V	EVP.0.3															
	FT.0.3	X									X					
<b>Thermal ON/OFF with end switch</b>																
24V	EV.1.4														X	
230V	EV.1.3														X	
<b>Thermal modulating</b>																
24V	EV.0.2														X	
	FT.0.2	X														
<b>Electrical 2-position</b>																
24V	BT000S														X	
	FH				X											
	FH.1 w/failsafe				X											
	FN.0.4	X														
	FN.1.2 w/failsafe	X														
	FN.1.4 w/failsafe	X														
230V	FN.5.4							X								
	TT000														X	
	BT200												X			
	FN.0.3	X														
	FNR.0.3	X														
	TT300														X	
<b>Electrical 2-position with end switches</b>																
24V	BT020S													X		
	TT020														X	
230V	BT220												X			
	TT320														X	
<b>Electrical 3-point floating</b>																
24V	BT000S													X		
	FH				X											
	FN.0.4	X														
	FN.1.4 w/failsafe	X														
	FN.5.4							X								
230V	TT000														X	
	BT200												X			
	FN.0.3	X														
	FNR.0.3	X														
	TT300														X	
<b>Electrical 3-point floating with end switches</b>																
24V	BT020S													X		
	TT020														X	
230V	BT220												X			
	TT320														X	
<b>Electrical modulating</b>																
24V	BM000S													X		
	FNP.0.2	X														
	FNR.0.2	X	X					X								
	FNR.0.2-EQ	X														
	TM000														X	
<b>Electrical modulating with end switches</b>																
24V	BM020S													X		
	TM020														X	
<b>Electrical modulating with feed-back signal</b>																
24V 0(2)-10V	FH				X				X							
	FH.1 w/failsafe				X				X							
	FN.0.2	X							X							
	FN.1.2 w/failsafe	X							X							
24V 0(2)-10V, 0(4)-20mA or 3-point floating	SM0001					X										
	SM0003					X	X				X					
24V 0(2)-10V, 0(4)-20mA, 2-position or 3-point floating	SM0004 w/failsafe					X	X				X					
	SM0005 BACnet					X	X				X					
	SM0006 BACnet w/failsafe					X	X				X					
<b>Adaptor ring for thermal actuator</b>																
Color of ring		Black							Black			Black	Black			Red
